

# Loading the Epic App on Your Device

This guide provides a quick overview of how to load the EPIC app to all your devices.

Apple

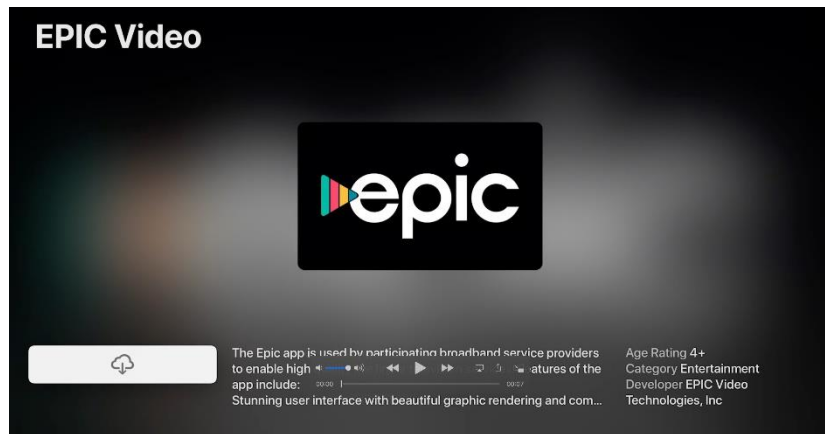

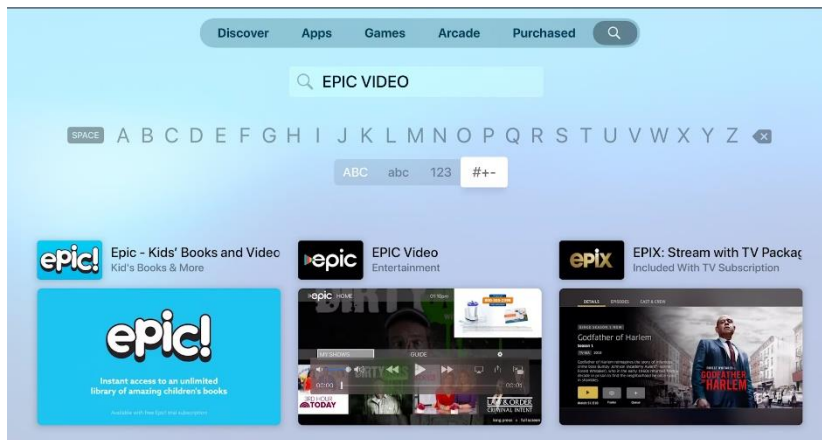

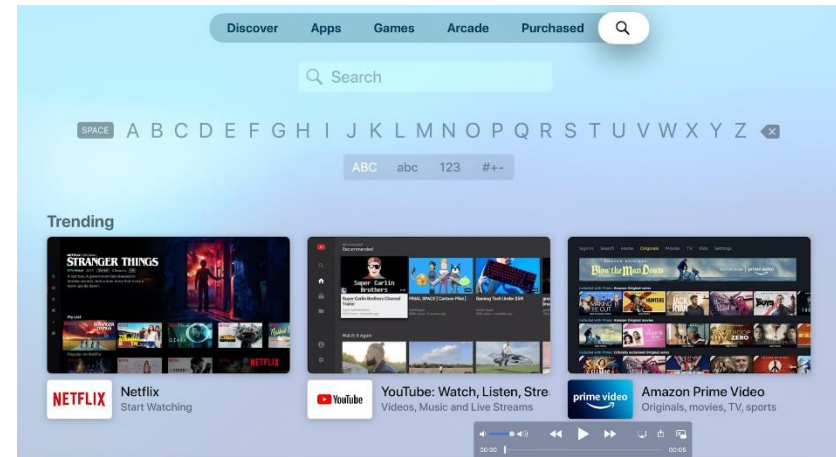

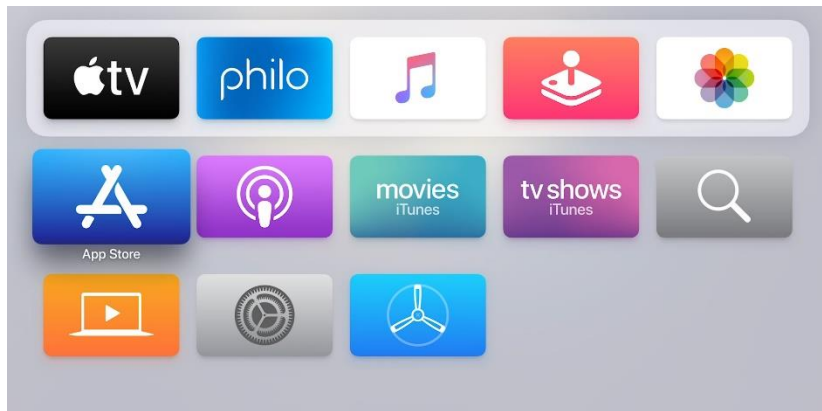

Amazon

Google Play Store

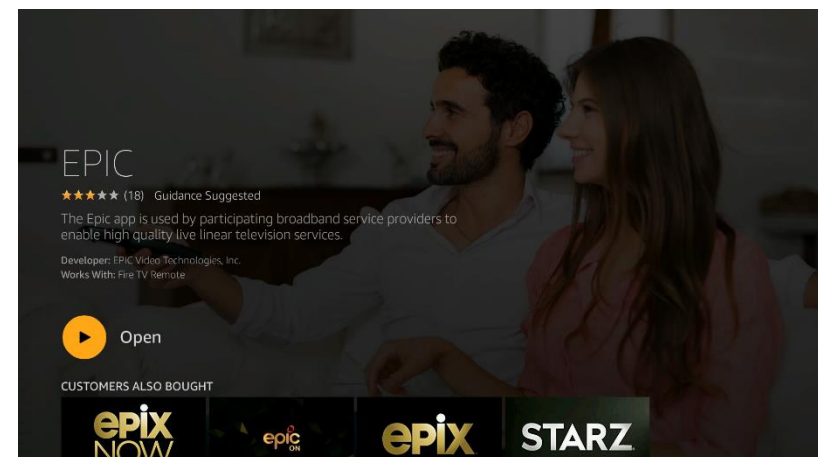

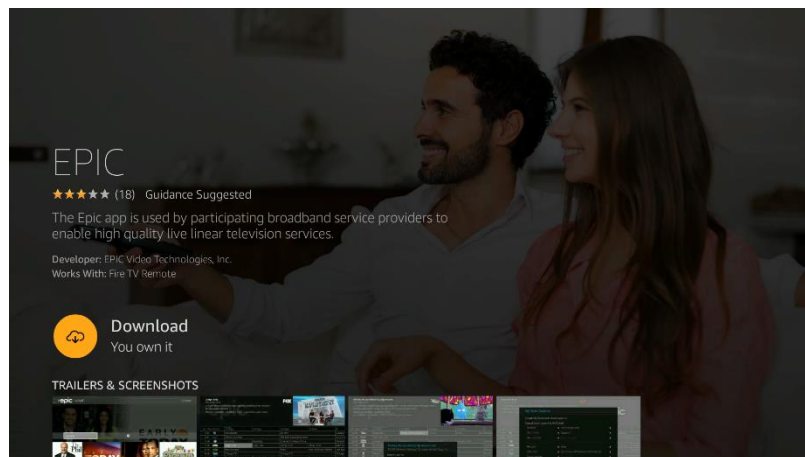

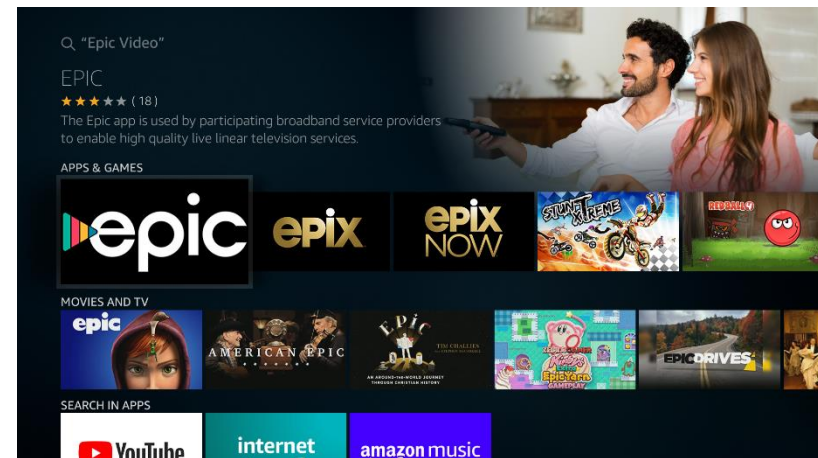

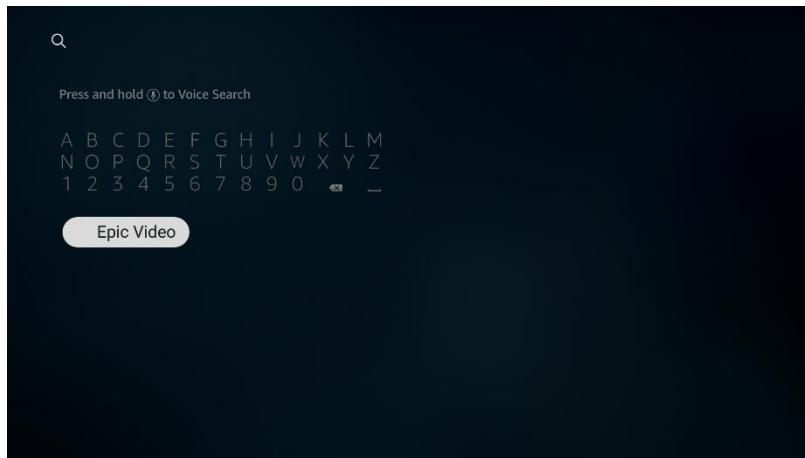

# Apple

From your Apple device, search for **EPIC Video** in the App Store. From there you can download and open the app.

# Amazon Fire Devices

Sign into your Amazon Fire device and search for [EPIC](#).  
From there you can download and open the app.

# Google Play

Sign into your Google Play Account and search for **EPIC**. From there you can download and open the app.
